

CENTRAL LAKES CORVETTE CLUB

April 2018

The April 3, 2018 meeting was called to order at 6:45 PM by President Fred Casey at the Timber Restaurant and Event Center in Staples. 28 members attended. Thank you to Bob and Linda Olson for hosting the meeting.

President's Report – Fred C.

Executive board expenditures to report.
\$120 approved for cost of hosting the CLCC website.
\$150 approved for Mission Township Park deposit for June picnic.

Meeting changes:

Keep "socializing" to a minimum during the business meeting.

No "Tech Talk" unless the president is contacted in advance by a volunteer.

PRINT AND BRING THE AGENDA, SECRETARY'S MINUTES AND TREASURER'S REPORT TO THE MEETING. Copies will not be available at the meeting.

Secretary's Report -

The November meeting minutes were approved.

Treasurer's Report – Carol Hansen

The April Treasurers Report was approved.

Old Business:

Christmas Party—Big thank you to Marlys Orr and Cheryl Shaw for hosting.

Planning meeting—January meeting held at Cabin Fever, 23 in attendance.

New Business:

Dates left "TBD" in event calendar. Fred will be sending out and undated 2018 Meetings and Events calendar.

Linda Martin has volunteered to host the Christmas Party.

Need an organizer for the color run prior to meeting in Walker. Brooke has reserved rooms at Chase on the Lake, the hold on the rooms will be until September 1, 2018.

Brooke suggested that the CLCC consider supporting the National Corvette Museum and discussed three options that involve the purchase of engraved pavers or tiles identifying CLCC as a supporter. Brook will put together a summary of the options for distribution to the membership prior to the May 1 meeting. This matter will be on the agenda for consideration at that meeting.

Mystery Trip update, Fred read off all the names of the members attending this, and if anyone else wants to go contact Jack Holmes asap.

Consider purchase of a laptop for the club secretary. More discussion at the May meeting.

A new assembly location will be necessary in view of the projected construction at the former Gander Mountain building. Fred will advise the membership of the assembly location for the May meeting...maybe the former J.C. Penney parking lot (assuming the snow has melted by May 1).

December - April birthdays were recognized by Pres. Fred

Meeting was adjourned at 7:22PM.
